**Enjoy working with young students?
Looking for a rewarding summer experience?**

We are now recruiting energetic college students as counselors for our summer camp for 6th, 7th, and 8th grade girls. Our Lady of Grace Nativity School is an intensive academic intervention program that enrolls economically disadvantaged youth.

We need responsible, engaging, and high-energy individuals to participate in all aspects of our day camp: academics (reading, math, and writing), leadership activities, reflection groups, swimming, horseback riding, hiking, athletics, fine arts, and field trips.

**July 3-16, 2008
Applegate, CA (north of Sacramento)**

This is an opportunity to work with motivated youth, serve as a role model, and make a difference in the life of a child. Benefits include transportation, room and board, and a \$700 salary.

***An additional stipend is available for lifeguards.**
